Activities

Have you been ripped off lately? Do you feel you've been had? If your complaint is for $750 or less, take it to Small Claims Court. It's simple, fast, and you don't need a lawyer. Let the MASSPIRG advisory service help you. Monday through Friday, 10am - 4pm. For an appointment, call 2-2888. SPPIRG is a non-profit, student directed organization.

Guys at MIT (GAMIT) will be holding their fall dance on Friday, November 6 at 8pm in the Sala de Puerto Rico. Admission is $3.00 and includes a free beer. Everyone is welcome.

All members of the MIT community are urged to donate blood at the Fall 1981 MIT-Red Cross Blood Drive. Donations will be taken from Wednesday, October 28, to Friday, November 6, at the MIT Student Center. Registration forms, which include times available for donations, are distributed throughout the campus. Be sure to bring one of these out and drop it in any of the interhouse mailboxes. Remember — there is a National Blood Emergency! For more details contact the TCA at x7911 or x4855.

The Institute Archives and Special Collections department of the Massachusetts Institute of Technology Libraries has issued a Selective Repository Guide (22 pages). The Archives is the repository for the manuscript and archival records of MIT, its faculty, alumni and staff. The collections reflect the strengths of the research and educational programs of the Institute and therefore emphasize the history of contemporary science and technology, and its impact on society. The guide is available for $23 from Institute Archives and Special Collections, Room 14N-118, Massachusetts Institute of Technology, Cambridge, MA 02139. Checks should be made payable to the Massachusetts Institute of Technology.

An Amnesty International (AI) is a world-wide human rights movement which works for the release of any person imprisoned for his or her political or religious beliefs, regardless of whose political or religious beliefs, regardless of whose beliefs may be, provided they have not used or advocated violence. The MIT AI Campus Group is working for the release of Hanna Mykhaylyenka, a 45 year old Ukrainian school teacher who was arrested for her human rights activities and imprisoned in 1980 for the publication of "anti-Soviet propaganda." We are also working to release a second campaign: Since the 1950's, a number of Catholic priests have been imprisoned in the People's Republic of China. AT is continuing to work for their release. In South Korea, a large number of students have been imprisoned for organizing against the military government in that country. AT is very concerned about the situation there. For more information on MIT AT, call Shirley Harter, 2-4962 or George Thurstun, 494-1110.

Math Tutors are needed for MIT's Secondary Technical Education Project (STEP). Students (work-study eligible and non work-study) are needed to tutor students at the University School of Science and Technology (Boston Public Schools). Math 7 & 8, Geometry. Algebra I. Algebra II/Trigonometry. Tuting sessions will take place at The Umana School during regular school hours. Hourly rate $4-$5/hr. For an application please contact Robert C. Hayden, STEP Director, MIT 208-129, 18 Vassar St., Cambridge, MA 02139, 253-7063.

The Massachusetts Internship Office has nearly 400 volunteer positions currently on file. Although most internships are on a volunteer basis, there are some positions that offer pay to those who qualify for work-study grants from their schools. Most positions require about 10 to 15 hours per week. For more information call the Internship Office, located in the State House at 727-8588.

The Youthgrants Program of the National Endowment for the Humanities will offer a limited number of awards to young people in their teens and twenties to pursue non-credit, out-of-the-classroom research projects in the humanities. The deadline for receipt of completed application forms is November 16, and funded projects begin the following May. Up to 75 grants will be awarded, offering, as much as $2,500 for individuals, and a few group grants up to $10,000 ($1,000 for exceptional media projects). Youthgrants are intended primarily for those between 18 and 25 who have not yet completed academic or professional training but can demonstrate the ability to design and perform outstanding humanities research and translate that into an end product to share with others. A copy of the guidelines is available for review at the Placement Office.
