Wellesley triumphs over women swimmers 95-42

By Robert E. Malchman
MIT's women's swimming team lost 95-42 to Wellesley in last Monday's dual meet at the Alumni Pool. The Engineers fell despite a traditionally strong effort by All-American captain Karen Klinecizwicz '82 and the best performance of the season by Laura Goosh '82.

After the 200-meter medley relay team of Sue Feindl '83, Kathy Warren '85, Barbara McNamara '82 and Andrea Jaffe won in 2:16.6, Wellesley took 14 events. The closest victory was by Wellesley in the 200-yard backstroke, won in 2:46.3 by Bob Thompson '82, who lost to Wellesley in the 200-yard medley relay.

The win was in line with the expectations of the Engineers, who have lost only three dual meets this season. The team has never before lost to Wellesley, but the Tigers have been the only team to upset the Engineers this season.

The Tigers were led by Robert E. Malchman "82, who scored 22 points, six assists, and four steals. The Engineers were led by Klinecizwicz, who scored 61 points in the meet.

But on the strength of freshman Bud Todd's six points, and four each by Robert Joseph '83 and Mike Weiss '82, the Engineers tied the score at 20 with 2:25 left in the first half. MIT eventually took 5:13 advantage into the locker room.

The team's lead was stretched to fourteen (47-33) with a little under thirteen minutes remaining. Then, as the Gordon game two nights earlier, the roof began to cave in, and Dagle and John McDonough (who combined for 48 of Sullif's 67 points)-keyed a 25-13 run which made the score 60-58 with two minutes left. At this stage, Weiss (a career-high 32 points, seven rebounds, five assists, and four steals) took over. The senior guard hit both ends of a one-and-one, made a free throw, and threw in a runner from ten feet with 22 seconds left to ice the victory.

Including a long pass to Jeff Bornstein '82 for a driving layup at 2:46, Weiss had a hand in six of the last eight MIT points.

Other key contributions to the Tech wins were provided by Joseph (12 points, 12 rebounds, and tough defense in the first half), and the bench in the form of (Please turn to page 15)
