"Missing" is considered so politically hot that the State Department has issued a three page statement rebutting its premise... It’s going to stir up audiences as no political thriller has since ‘All The President’s Men’ or ‘Z.’
—David Ansen, Newsweek

"Costa-Gavras’ most striking cinematic achievement to date."
—Vincent Canby, New York Times

"...One of the most entertaining, insightful films so far this year."
—Michael Brown, Boston Globe

"The most thrilling suspense film of the year."
—James Agee, The New Republic

"...As moving and involving as anything this year."
—Vincent Canby, New York Times
