Corporation Committee:
Corporation Joint Advisory Committee on Institute-Wide Affairs
The purpose of this committee is to associate with the Corporation a broadly representative group at the Institute to which the Corporation can turn for consideration and advice on Institute-wide matters requiring Corporation attention, such as the long-range planning of MIT's campus, the improvement of the institutional environment, and MIT's relations with Cambridge and metropolitan Boston. The Corporation Joint Advisory Committee provides and additional means for bringing representatives of the Student body both graduate and undergraduate, and of the faculty into regular communication with the Corporation on matters not normally handled by either of these groups which are of long-range importance to the entire Institute community. CJAC also serves to acquaint the MIT community more fully with the role and work of the Corporation. CJAC does not in any way modify the role of the existing Corporation Visiting Committees.

The revised Finboard membership includes a member from Nominations Committee. Other members come from Finboard hearings. The Committee on the Writing Requirement doesn't exist.
At its next meeting the Faculty will vote on a CEP motion establishing a writing requirement committee, and recommend revisions to it. As last seen, the motion calls for ten, members, two of whom will be undergraduates. While the committee doesn't exist yet, we are hearing for the committee with the expectation that nominations will be requested.
