governments of Italy or France.

Anderson lambasted President Reagan's policies, but added that the Democratic Party has not "offered any real or effective opposition to Reaganomics." Not have the Democrats supplied co-
herent alternative policies, ac-

According to Anderson.

In an ensuing question and an-
swer period, a member of the au-
dience decreed the "hypocrisy" of the US in supplying recent Eu-

of Israel in Lebanon while sup-
plying arms to Israel. And-

son did not criticize the US for ar-
munitions, because "without assistance, [Israel] would not have been able to survive in the very hostile environment in which it exists."

But "it is only through a nego-
tiated settlement and not through just a continuation of the arms race in that part of the world that we will ultimately find peace," Anderson emphasized.

**STORAGE OF FIRE**

HOW FIRE PREVENTION WEBSHIRE: 

"The Great Chicago Fire" burned out of control for three days — Oct. 8, 1911. That fire claimed 36 lives and over 2,000,000 dollars worth of personal property. The Great Chicago Fire was started by intelligent people, but they were not the owners of the largest sources of fire hazard.

From these tragedies, we learned the need to prevent the fire menace. When we observe the first Fire Prevention Day, Oct. 9, we recognize that the fire menace is always to be ob-

At least get the services of the public. If the fire hazard is in your home, you are responsible for your own safety. You are also responsible for the safety of others.
