It's still not too late to join The Tech

The LOGICON CHOICE
For Engineering, Math, Computer Science and Physics graduates.

Choose Logicon. A company synonymous with technical excellence for over 20 years. We are a recognized leader in systems and software technology for the military and government communities.

Choose technical variety. Logicon has built a solid base of contracts involving a diversity of technical disciplines in areas such as the analysis and development of missile, space, aviation and turn-key systems and the development of high technology software tools and complex systems.

Choose to be recognized. In working conditions enhanced by quiet, private offices, engineers, programmers, analysts, systems engineers and operations analysts can develop their potential in a small team environment which recognizes and rewards achievement.

You will find Logicon in San Pedro, California, the ideal place to make a great start and we invite you to learn how your soon-to-be-acquired degree or advanced degree can be the key to unlocking your professional potential.

SERVING THE PUBLIC FOR 36 YEARS

NOW WE’LL PAY YOU TO ATTEND MEDICAL SCHOOL

In fact, we’ll even pay you more than $550 a month while you attend. That’s in addition to paying for your full tuition and required books and fees. It’s all part of the Armed Forces Health Professions Scholarship Program.

How does it work?

If you’re selected for a Physician Scholarship—from the Army, Navy, or Air Force—you’re commissioned as an officer in the Reserve. While you’re in school, you’ll serve 45 days a year on active duty, gaining valuable medical experience. After graduation, you will serve three or more years, the length depending on the requirements of the Service selected and years of scholarship assistance received.

As an Armed Forces physician you’ll receive officer’s pay and benefits, and enjoy the advantages of working regular hours. You’ll also see a diversity of patients and have opportunities to use sophisticated medical technology.

But most important, while you’re in medical school we’ll help pay the bills.
