Baseball — The baseball team concluded its season last Thursday with a 9-6 loss to a poor Mass Bay Community College team. Engineers' Coach Fran O'Brien attempted to play all of his substitutes in the fall's final contest, accounting for the defeat. MIT finished with its best fall record ever, going 10-1...

Women's Water Polo — The men's water polo team outlasted its way to third place last weekend at the New England League tournament of the season. MIT managed to beat Columbia and Yale, but fell to Brown, ranked number two.

Field Hockey — The field hockey team dropped its fourth straight game on Monday, losing to visiting Anna Maria 1-0. The loss, following a 3-1 start, dropped the Engineers to 3-5. The squad has now been shut out in four straight games, and will be trying to break out of its slump when it hosts Tufts on Monday in Innisfermer Stadium.

Pistol — The pistol team had a bang-up weekend, blowing out the New Jersey Institute of Technology with a 1122 out of a possible 1125 points to NJIT's 950. Blazing its way to victory, the team was led by All-American Joe Mayo '83 with 795 points out of 900 possible, while Dave Martin '84 had 761. Larry Deschaine '84 had 774, and Duncan Hughes '83 had 761. Coach Pasquale Megargle's Engineers, ranked number three, return home from New Jersey to face number two-ranked Navy on November 6.

Men's Cross Country — Last weekend, the men's cross-country team did not fare very well in a meet held at Franklin Park. The Engineers placed sixth in the seven teams participating.

Women's Cross Country — The women's cross-country team also participated in the meet at Franklin Park last weekend, and did not do much better than their male counterparts. The squad finished fifth out of the seven teams participating.
