Football defeats Hawks 28-27

By Martin Dickan

Quarterback Vin Martinelli ’85 threw a school-record 63-yard touchdown pass to tight end Steve Vardilos on the opening play of the game to give MIT a 6-0 lead. After the Cadets came on and kicked the game-winning field goal with 8:28 remaining, the Engineers continued to play under the lights and scored on their next possession, capping off the drive with a 25-yarder to highlight the second half.

Soccer finishes with loss

By Arthur Lee

The men’s soccer team wrapped up the season at home last weekend with a 9-0 defeat at the hands of the Greater Boston League All-Star team. Despite the loss, the team finished second at the New England Invitational tournament, the team’s highest finish in the 16-year history of the club.

The victory over Harvard makes next Saturday’s New England Championships, to be held at MIT’s Alumni Pool, very important. If the Engineers can win two of their three matches, they can win the Eastern Championships at Indiana University in Bloomington, Indiana. Of the three other teams competing, UMA-Amherst should not present a problem for the Engineers, while a victory over Brown is not realistically expected. So, the contest between the two Cambridge rivals will be a big one, with MIT’s chance to go 5-1 in the conference hanging on the outcome.
