Tandem After Graduation

“In a big company, like the one where I worked for two summers, there's no way to comprehend what's going on everywhere. Here I talk to the Sales Representatives and get memos from the president about company goals and performance. There's a lot of contact about what's going on in the rest of the company.”

When Michael first arrived in “Silicon Valley” and at Tandem, he found his Software Development group ready for him.
