ON DECK

Women's Basketball

The team drops to 7-8 after a 63-58 loss at Nichols Saturday. Lisa Howard '86 led the Engineers with 18 points. Four MIT players—Joyce Kelly '83, Terry Felts '84, Cindy Robinson '84, and Stu Thompson '85—each had eight.

Gymnastics

The men toppled their record to 6-3 with a 208-99 win at Vermont Saturday. The women, meanwhile, went to Maine-Formering and placed third in the tie-meet with 113.

Hockey

The hockey program started out the 1983 portion of its schedule with a 6-5 win over Merrimac Sunday, with most of the scoring being done by Jerry Smith, a freshman from Canada. With the victory, the team raised its record now 10-8. Tim Skelton '84, Larry Hsu '85, and Mike McConnel '83 in his first start, all collected victories in the losing effort.

Track

The track team ran in the Greater Boston Championships this weekend, finishing eighth of seven in the face of some strong Division I competition. MIT did finish ahead of arch-rival Tufts. Pat Parris '85 was sixth in the weight throw, and Ken Koush was fifth in the 1000-yard run. Both the one and two-mile relay teams also placed third.

Wrestling

The wrestling team lost 26-17 at Amberton Saturday, its record now 8-5, 10-9. Tim Skelton '85, 126; rear. Tom Tiller '83 (156), and Steve Leibger '83 (167) won for MIT. On Sunday, Shull defeated Pat Hughes of Springfield 7-1, helping the Division 1 all-stars to victory over Division 1, 32-7.

Technical Graduates

Mark your calendar for the interviewing event of the semester ... with the Equipment Group of Texas Instruments.

February 16 and 17, we'll be on campus all day (from 9 a.m. until 5 p.m.) to talk with graduating technical students about career opportunities with the Equipment Group, the number one military contractor in Texas.

You can choose from an assortment of challenging technology areas: missile guidance, advanced weapons and electro-optics, image processing, assembly tooling and mechanization, commercial navigation/communication products, satellite communications, passive RF and signal processing applications.

We need graduates from just about every discipline:

Electrical Engineering, Computer Science, Math, Computer Engineering, Mechanical Engineering, BS, MS, PhD, and U.S. citizenship required for all positions.

Find out more about the career opportunities in store for you at TI, come talk with us when we're on campus. Sign up for the Placement Office today (Room 12-170). And while you're there, take a look at our video tape on TI careers.

If you won't be able to interview with us while we're on campus, but would like more information about Texas Instruments, write: Bryan R. Underwood, Texas Instruments/P.O. Box 405, M.S. 3426/Lewisville, TX 75067.
