BE IN THE FOREFRONT OF TODAY’S TECHNOLOGY
AS A SCIENTIFIC-ENGINEERING OFFICER

Our scientific-engineering officers are planning and designing tomorrow's weapon systems today. Many are seeing their ideas and concepts materialize. They have the finest, state-of-the-art equipment to test their theories. The working environment is conducive to research. And Air Force experience is second to none. You can be part of this dynamic team if you have a scientific or engineering degree. Your first step will be Officer Training School. Help us shape our future as we help you start yours. Be a scientific-engineering officer in the Air Force. Contact your Air Force recruiter at

Join us for a noon hour jog

On Wednesday and Thursday, February 23rd and 24th, representatives of General Electric will be on your campus.

Our Technical Recruiters would like you to join them for a noon hour jog. We'll begin at 77 Massachusetts Avenue at 12:00 noon each day, jog down Memorial Drive to the Boston U. Bridge, cross over to Storrow Drive and head down to the Longfellow Bridge, cross back over to Memorial Drive and finish up our 5.4 mile jog back at 77 Massachusetts Avenue. Some of our managers will turn back up Massachusetts Avenue at the Harvard Bridge for a 2.6 mile run.

If you're interested in meeting our people in a completely informal setting . . . put your track shoes on and join us. If for some reason you can't make it at noon . . . we will also be having an informational presentation plus a question and answer period on General Electric in Bldg 4 — Room 159 on Wednesday, February 23rd at 6 p.m.
