Pizza, too

The cost of an MIT education keeps climbing. Guess how much it will cost next year, and you could win a $5 gift certificate for Toscanini’s Ice Cream and $5 in gift certificates from Joe’s Pizza Oven. The closest entry in each of three categories — tuition, equity level, and total budget — wins the ice cream. Send your prediction for next year’s tuition, equity level, and total budget, along with your name, address, and telephone number to Ice Cream Contest, The Tech, MIT Room W20-483.

Limit one entry per person; members of The Tech staff, the Academic Council, and their immediate families are not eligible. Ties will be broken by random drawing. The Tech reserves the right to publish contest entrants’ names and predictions.

The Everett Moore Baker Memorial Award for Excellence in Undergraduate Teaching

The Everett Moore Baker Memorial Award for Excellence in Undergraduate Teaching was first presented twenty years ago, to recognize and encourage exceptional interest and ability in the instruction of undergraduates. The award is given to young faculty members, below the rank of full professor, who have demonstrated that they are truly interested in and dedicated to their students, both in and out of the classroom. Past winners of the Baker Award include Frank Morgan, Alan J. Lazarus, Amar G. Bose, Charles E. Holt III, Daniel S. Kemp, J. Roy, R. Quirke, Jr., William C. Thill, Murray J. K. Biggs, and Wonder C. Bloom. This year’s award, consisting of a $1000 honorarium and a bronze medal, will be presented at the awards convocation May 4.

Our colleges have placed too much emphasis on the imparting and gaining of knowledge and too little on developing opportunities for the acquisition of wisdom and understanding.
—Everett Moore Baker, 1950

MIT faculty members from both fall and spring semesters below the rank of full professor are eligible to receive the award. All MIT undergraduate students are invited to submit letters of nomination to the Baker Foundation Committee, Room 3-234.

Recommendations must be received by March 17, 1983.

PILLAR POSTER QUESTION OF THE WEEK

What is your opinion on MERIT-BASED Financial Aid during the upperclass years?

(merit-based: financial aid would be based on a combination of need and academic performance)

Sponsored by the Academic Council
Task Force on Financial Aid
