AROUND THE WORLD STUDY

Kyoto, Bali, Singapore, Benares,
Nairobi, Cairo, Jerusalem, London.

INFORMATIONAL MEETING

30 university students, drawn from across the United
States, will circle the world Sept. '83 - May '84 living
and studying in the above locations. Accompanied by
internationally known senior professors, the selected
students will carry a full course load as they explore
how societies represent and interpret themselves
to themselves and outsiders.

An exceptional opportunity to study around the world
for a full academic year, the International Honors
Program seeks mature, motivated candidates who
have achieved academically. Interested students are in-
sisted on being a representative of the program on
Thursday, April 7, at 4 p.m., in Room 3-153.

Further information may be obtained by contacting
the program directly.

You've seen the news.
We're building on a rich tech-
nological base, and are competing in
new business areas. As a result, we're seeking experienced software
people who can support new network
services and entities.

Immediate Openings
Specifically, we are staffing two pro-
gram areas:

Applications
If you can show us at least 2 years of applications programming
experience using C language and UNIX* operating system, we can show
you a remarkable showcase for your abilities.

Have a back-
ground in systems analysis/design and systems testing? So much the better.

UNIX* and C Programmers
Make sweeping events in telecommunications work to your advantage.
