**Track romps over Bears**

(Continued from page 10)

The track team's victory came in second place with a time of 15:39. Mike Lyons '83 completed the sweep by barely preserving his third place finish in the final lap. His time was 15:57.

MIT sent DeRubeis, Peddie, Richards, and John Taylor to the track for the 1600-meter relay, and the last event of the meet. They easily boasted Bowdoin with a time of 3:29.7. The Bears crawled in seconds later.

MIT track coach Gordon Kelly analyzed the victory: "Bowdoin did not perform as strongly as we expected. Also, we are really improving." He continued, "By the time of the championships, we could become a bigger factor." Everyone can catch all the excitement on May 7 when MIT hosts the New England Division III Outdoor Track & Field Championships. Before that, the junior varsity will be going into the 1600-meter relay, then, placing posters on campus. Remarks based on results. Prizes awarded as well. 800-526-0883
