Lowenbrau. Here's to good friends.

When you're in a tight spot, good friends will help you out.

When you pulled in two hours ago, you didn't have this problem. And with a party just starting, the last thing you wanted to do was wait around another two hours.

Neither did the rest of the guys.

So when they offered to give you a lift, that's exactly what they did, proving not only that they were in good shape, but that they were good friends.

So show them what appreciation is all about. Tonight, let it be Lowenbrau.
