**UTRECHT Price SUBJECT TO CHANGE**

- Utrecht's discounts on other manufacturers' products are based upon their suggested list prices, this a practice that can be found in the art and drafting supply field today. However, the discounts may not determine your exact savings compared to other suppliers. There are suppliers who sell materials at the manufacturers' suggested list price, while others do not. Utrecht welcomes you to compare our selling prices of our entire inventory with others to determine the real savings.
