EVERYONE IS PICKING UP ON PILOT PENS

WATCH OUT FOR THE STUDY HALL SNATCHERS

They know that the Pilot Razor Point marker pen writes-as smooth as silk. And the custom-fit metal collar helps keep the point sharp Page after page. That's why when it comes to a Razor Point, it's love at first sight.

RAZOR FINE
So thin...it's love at first sight.

Harvard Cooperative Society

NOW WE'LL PAY YOU TO ATTEND MEDICAL SCHOOL

In fact, we'll even pay you more than $575 a month while you attend. That's in addition to paying for your full tuition and required books and fees. It's all part of the Armed Forces Health Professions Scholarship Program. How does it work?

If you're selected for a Physician Scholarship—from the Army, Navy, or Air Force—you're commissioned as an officer in the Reserve. While you're in school, you'll serve 45 days a year on active duty, gaining valuable medical experience. After graduation, you will serve three or more years, the length depending on the requirements of the service selected and years of scholarship assistance received.

As an Armed Forces physician you'll receive officer's pay and benefits, and enjoy the advantages of working regular hours. You'll also see a diversity of patients and have opportunities to use sophisticated medical technology. But most important, you're in medical school so we'll help you pay the bills.

For more information, send in the coupon. There's no obligation whatsoever.

5th Annual Career Fair

Sponsored by Society of Women Engineers
Sunday, Oct. 23 12-5pm Walker Memorial

Open to all of MIT Community
Come talk with company representatives about careers in science and engineering
Banquet with key note speaker on Oct. 22 at the Hyatt

for further info. contact: Galie Gordan dl-7175
or leave message at 3-2096

Companies represented:

Air Force—You're commissioned as an officer in the Reserve.

5 Things You Can Do Right Now to Ensure a Career in Science

1. Come talk with company representatives about careers in science and engineering.
2. Attend the 5th Annual Career Fair sponsored by the MIT Society of Women Engineers.
3. Visit the Coop to purchase pilot pens and other stationery.
4. Prevent forest fires by using matches instead of candles.
5. Help prevent forest fires by being careful when using matches.
