Harriers make nationals

By Christopher Y. Kim

The men’s cross country team placed second among twelve NCAA Division III schools eligible for qualifying for the Nationals and sixteenth of sixteen teams overall at the Codfish Bowl in Franklin Park Saturday.

Despite having only three individual runners place among the top thirty, the harriers’ high finish again was due to their ability to run together as a team. Led by Mike Lyons ’85 (25:49), the Engineers’ top five runners of Lynn, Bill Bruno ’85, Bill Mallet ’86, Brian Callaghan ’87 and Terry McNatt ’87 finished within 36 seconds of each other over the eight-kilometer course.

Although only Bruno among the varsity runners set a personal record under the warm weather conditions, MIT coach Halston Taylor was still pleased with his team’s continuing ability to run together.

Even though they do not currently have any individuals ranked among the top ten in the region, MIT has a very good chance of being one of the three New England teams to qualify for the Nationals because of its “pack running.”

The Engineers will get another chance to test their team running Saturday at the Community College of Rhode Island Invitational.

The Everett Moore Baker Memorial Foundation is now accepting nominations for

The Everett Moore Baker Memorial Award for Excellence in Undergraduate Teaching

The Everett Moore Baker Memorial Award for Excellence in Undergraduate Teaching was first presented twenty years ago, to recognize and encourage exceptional interest and ability in the instruction of undergraduates. The award is given to young faculty members, below the rank of full professor, who have demonstrated that they are truly interested in undergraduates, both in and out of the classroom. Past winners of the Baker Award include T. Alan Hattan, Frank Morgan, Alan J. Lazarus, Amar, G. Bose, Charles E. Holt III, Daniel S. Kemp, Albert R. Gurney, Jr., William G. Thilly, Murray J. K. Biggs, and Woodie C. Flowers. This year’s award, consisting of a $1000 honorarium and a bronze medal, will be presented at the awards convocation in the spring.

Our colleges have placed too much emphasis on the imparting and gaining of knowledge and too little on developing opportunities for the acquisition of wisdom and understanding.

—Everett Moore Baker, 1959

Nominations for full professors must be received by Dec. 15, 1983
