Volleyball wins ECAC's football closes with loss to Seahawks

Roger Williams quarterback On McCarthy threw for 181 yards and four touchdowns, as the football club dropped its final game of the year 46-6 in Rhode Island Saturday.

The Engineers, playing without regular quarterback Dave Allen "84, who was injured in its previous weekend's game against Fitchburg State, were unable to mount any kind of offensive threat, and the defense was pinned by several plays for long gains, including touchdown runs for 51 and 60 yards. Fred Allen '84 broke the Seahawks' shut out bid near the end of the fourth quarter with a 10-yard touchdown run.

The loss leaves MIT with a 5-4 record, its first winning season since 1980. Roger Williams also ended at 5-4.
