**SPORTS**

*The California Tech Volleyball team reached the final rounds of the NCAA tournament for the third time in four years, advancing after a sweeping 3-0 victory over the University of the South on Monday night. The Engineers defeated the Regional Champions in a thrilling match, which included a tie-breaker, to advance to the semifinals.

California next stop for volleyball team

The Head Coach of the women's volleyball team, Deborah S. Koster, said that the team was very excited to have made it to the final rounds.

**NOTES**

**BIOLICAL/PHYSICAL SCIENCES**

You're Needed All Over the World

Ask Peace Corps volunteers why they are using their Science major, minor, or aptitude in health clinics and classrooms in Malawia. Why do they use them in labs and culture projects and experimental farms in Western Samoa? They tell you their ingenuity and flexibility are as important as their degrees. Ask them why Peace Corps is the toughest job you'll ever love.
