The Department of Civil Engineering will conduct a UROP Traineeship Program and will offer ten traineeships of $500 each during the current Spring Semester. For more information, call the Civil Engineering Undergrad Center at x3-401 or Professor Hemond, x1437.

The Student Financial Aid Office alerts students to the $5000 scholarship being offered by the Huguenot Society of America. The scholarship is offered annually to one student at MIT who is nominated by the Institute and is of verifiable Huguenot descent. For more information, contact the Student Financial Aid Office.

**The Most Sophisticated Training Ground For Nuclear Engineering**

**Isn't On The Ground.**

It's on a Navy ship. The Navy has more than 1,900 reactor-years of nuclear power experience—more than anyone else in America. The Navy has the most sophisticated nuclear equipment in the world. And the Navy operates over half of the nuclear reactors in America.

With a nuclear program like that, you know the Navy also offers the most comprehensive and sophisticated nuclear training. Every officer in the Nuclear Navy completes a full year of graduate level technical training. Outside the Navy, this kind of program would cost you thousands. In the Navy, you're paid while you learn.

Then, as a nuclear-trained officer, you supervise highly trained personnel in the operation of the most advanced nuclear propulsion plants ever developed. You get a level of technical and management experience unequalled anywhere else.

You get important responsibilities and you get them fast. Because in the Navy, as your knowledge grows, so do your responsibilities.

Today's Nuclear Navy is one of the most challenging and rewarding career choices a man can make. And that choice can pay off while you're still in school. Qualified juniors and seniors earn approximately $1,000 per month while they finish school.

As a nuclear-trained officer, after 4 years with regular promotions and pay increases, you can be earning as much as $40,500. That's on top of a full benefits package that includes medical and dental care, and 30 days' vacation earned each year. As a nuclear-trained officer, you also earn a place among this nation's most qualified and respected professionals. So, if you're majoring in math, engineering or the physical sciences, send in the coupon. Find out more about the most sophisticated training ground for nuclear engineering. Today's Nuclear Navy.
