TYPIST WANTED:
The Tech currently needs a skilled typist. It is a part-time job, requiring 7 to 10 hours of work per week, but can expand if you desire. Salary is commensurate with typing speed. If you are interested, call The Tech, and ask for Scott. 253-1541.

About To Take That First Step?
ON CAMPUS
Thursday, February 9

- Electronics Engineers
- Mechanical Engineers
- Computer Scientists
- Physicists

You're about to take that all-important step, from college into your first career position. It's a move that must be thought out carefully.

The Lawrence Livermore National Laboratory offers room to move around, and several stairways your career can take. Here you'll be working shoulder to shoulder with some of the country's top people, seeking solutions to the nation's greatest challenges. You may begin your career here working on a defense problem and later move into one of our many energy research programs.

You'll find everything you need for your work, including the world's most advanced computers. And, if you decide to continue your education, the Laboratory offers time off from work and tuition reimbursement.

You couldn't find a better place to take that first step.

Our major research programs are:
- National defense (Nuclear weapons and defensive systems research)
- Magnetic Fusion Energy
- Laser Fusion
- Energy Research
- Biomedical and Environmental Research
