GRADUATING ENGINEERS

REACH FOR TOMORROW WITH MARTIN MARIETTA AEROSPACE

In this wire these important things every graduating engineer should know about Martin Marietta Aerospace.
1. Our unique organizational structure allows you unusual flexibility in determining your career pathing and accomplishing your personal goals. Unlike many other aerospace firms, Martin Marietta uses a more organizational system that helps you "achieve success" rather than placing you in a single program or product line.

2. Martin Marietta will provide you with an exciting, stimulating environment through challenging assignments. We have hundreds of long-term contracts that require imagination and creativity. And we have some of the nation's most advanced equipment that lies in wait for you in your efforts.

3. And finally, we want to speak to YOU. We will be holding on-campus interviews very soon. Arrive to talk with us and we'll give you more information about our programs and opportunities. And remember, if you enjoy tackling the challenges of tomorrow, look into a career with Martin Marietta. We've got it.

Martin Marietta Aerospace has many new opportunities awaiting college graduates. Most facilities are located in Denver, Colorado; New Orleans, Louisiana; and at Vandenberg AFB, California.

See our representative on campus - March 8 & 9.

If you'd like to attend for an interview at the time, please contact Martin Marietta Denver Aerospace, College Relations Department, P.O. Box 174, Mail #4133, Denver, CO 80201.

Martin Marietta is an Affirmative Action Employer. Activity favoring the Handicapped and Veterans. U.S. Citizenship is required.
