Text of questions on spring ballot

The following is the text of the Undergraduate Association constitution referendum questions which will appear on the March 15 ballot:

Please read the following questions, as well as the supplementary material available at the voting booths; then answer the following questions:

Item 1: The following shall be inserted in the Undergraduate Association constitution following Section 1.30:

"The Council of Student Representatives shall advise the General Assembly and the Undergraduate Association president on matters concerning the faculty and administration. The council shall consist of the student representatives to all Institute student-faculty committees and shall be administered by the UA Nominations Committee."

"The council shall meet several times each term, as requested by the UA president, vice presidents, five council members or the nominations committee."

Item 2: The General Assembly of the Undergraduate Association shall be replaced by the UA Council. The UA Council shall assume all legislative and representative powers now held by the General Assembly. The membership of the UA Council shall be as follows: one representative from the Non-Resident Students, one representative per 125 undergraduates at-large from each dormitory; one representative per 125 undergraduates at-large from the freshmen, [sic] sophomores, juniors and seniors; four representatives from each of the upper class, elected in the spring UA elections; and freshmen elected in the first term. All references to the General Assembly in the UA constitution shall be amended to reflect the above changes.

The UA Council shall draw up bylaws in accordance with the above changes.

Until the 1985 UA elections, the presidents, vice presidents, secretaries, and treasurers of each class shall serve as the class representatives to the UA Council.

Item 3: The charter of the General Assembly-Graduate Student Council shall be adopted by the Undergraduate Association. A copy of the charter is available at the voting booth.

The charter shall not be notified until the Graduate Student Council has also approved it. In case of passage of item two, the charter shall be amended to reflect the changes from General Assembly to UA Council.

BUILD YOUR OWN HOME COMPUTER

GENERAL COMPUTER IS REDEFINING THE STATE OF THE ART IN HOME COMPUTERS

We're looking for talented computer scientists and engineers with experience in the following areas:

- Microprocessor Programming
- Digital Interface Design

Refreshments and food will be served

Interviews scheduled for March 9

Network Strategies, Inc.

The reward for all those long nights of 6.003 tooling

Network Strategies is a unique technical and management consulting firm specializing in communications networks. We're located in suburban Washington, D.C., 20 minutes from downtown. Our clients include the largest U.S. Government agencies and some of the world's largest corporations.

Our relatively small size offers freedom from organizational constraints, and extensive opportunities for staff members to interact directly with clients at the highest levels of government and industry. Our rapid growth demands that we recruit creative and talented people with applicable skills and strong interest in:

- Designing complex digital communications networks
- Designing nationwide voice communications networks
- Developing and applying design optimization techniques
- Networking office automation and personal computers

We're looking for a few select graduating students (undergrad and grad) with strong backgrounds in EE, CS and OR, and who possess presentation skills (oral & written) suitable for interaction with top management.

You'll be in good company, too -- nearly half of our technical professionals, including our president, are MIT alumni.

Why not come by and meet us?

Informal open house
Thursday, March 8, 4:30 - 6:30 PM Room 36-155

any questions, please call 253-8068 or 6125. See the sign-up schedule.
