Few candidates speak at General Assembly

(Continued from page 1)

their ideas for the class government. The ticket of Kevin R. Foote and Stephen J. Thome is running for the Class of 1987 president and vice president. Foote said a problem is that social life is too living-group oriented, and the team's goals are to raise money with T-shirt sales and to organize class trips and activities. The team of Steven L. Geger '87 and Thomas E. Ahl '87 is also running for class president and vice president. The pair says it wants to involve the class social council and the ring committee, Jones wants to start a "ring satirist" to deal with the ring company and to lower the cost of class rings.

Absent from the forum were the following candidates: Peter Tu '86, candidate for secretary; class President Nelle M. Merrill '85 and class Vice President Barry L. McQuain '85, who are seeking reelection; George Allen '85, candidate for social chairman; class Publicity Chairman Toi A. Beveridge '86, candidate for treasurer; Alka Jain '86 and D'Joanna White '86, who are running for the two social chairman spots; vice-president candidates Janet C. Desimone '85 and Thomas R. Hoffm an '85; treasurer candidates Paul G. Shipard '87 and Kerry O'Neill '87; publicity-newsletter chairperson candidate Randi L. Rubinstein '87; and social chairperson candidates David Brown '87 and Kevin Murphy '87.

SCEP trades in old computers

(Continued from page 1)

A VAX-11/730, meanwhile, provides 3M bytes of main memory with 90M bytes on three disks, an amount which Fortelhery contends will be sufficient for five years. The new system will probably arrive early this summer, allowing members of LSC's Computer Committee to install the software. Capital costs, said Installa-
tion is not difficult, he added, as VAX computers offer a "compatibility mode" which can un-
"ring subsidy" to deal with the

Harvard this summer

Academic Calendar: June 25 - August 17, 1984

Harvard Summer School, the nation's oldest summer session, offers open enrollment in nearly 250 day and evening courses and pre-professional programs in more than 40 liberal arts fields. The diverse curriculum includes courses appro-
priate for fulfilling undergraduate and graduate college degree requirements, as well as programs designed for career and professional development. The international student body has access to the University's outstanding libraries, museums, athletic facilities, and cultural activities, with the additional benefits of Cambridge and nearby Boston. Housing is available in Harvard's historic residences.

For additional information, contact the Harvard Summer School, 20 Garden Street, Cambridge, MA 02138.

Offerings include intensive foreign language courses, pre-medical, pre-law, business and computer science courses, and graduate level courses in education and manage-
ment.

On your next trip, take along a typewriter, calculator, bookkeeper, secretary, financial planner, file cabinet, and confidant.

All in one 4 lb. package, $799.

NEC Home Electronics' new battery-operated PC-8200 is the biggest little computer you can get for under $500. With a full 16K RAM (expandable to 64K) it gives you everything you need in a computer. And true "go-anywhere" portability to boot. Plus you get 14 free software packages to start.
