The denizens of the Breakfast of Champions radio program, which airs weekdays from 8 to 10 a.m. on WMBR, hosted a concert by the Slickee Boys at Spit on Wednesday evening. The Slickees are a neo-psychedelic pop band from Washington, D.C., and are currently touring nationwide to promote their first album, Cybernetic Dreams of Pi, recently released on Twin Tone Records. The band plays a mix of original tunes and covers of obscure '60s rave-ups. Local funk/wave group Sixa opened the well-attended show.
