Outside Looking In By V. Michael Bove

FEELING A LITTLE TENSE, CINDY?

DON'T BE. I'M HAVING A BALL!

AND MAD GEORGE ARE PREPARED FOR SURVIVAL. SHOWER JUST AS THEY DID WHEN WE WERE ALL FRESHMEN...

THINGS CHANGED IN THE FIRST FIVE YEARS - I MEAN, LOOK AT GRAD SCHOOL. IT WOULD BE DIFFERENT, BUT HERE I AM LIVING WITH THE SAME BUNCH OF PEOPLE, STUDYING THE SAME OLD THINGS, AND STILL GOING UP ON THE RACE TO CRY...

YOU COULD ALWAYS LEAVE SCHOOL AND GET A JOB...

I'M LEAVING TODAY!

"OH, GET SERIOUS, MICH.

and color relation give these works a unique visual appeal. Images of Change, fifty color photographs by Clinton Andrews presenting a subjective view of the issues and technologies bringing change to northern areas of Pakistan and India. 26 Massachusetts Ave. Monday-Friday 9 am to 5 pm. Free.

PREPARE NOW FOR THE FALL EIT EXAM!

Enroll in Northeastern University's Engineer-In-Training (EIT) License Exam prep course and ensure your best score on October 27th. Our thorough refresher course reviews the engineering concepts you must know for this demanding exam, and includes numerous sample problems covering:

- Mathematics
- Statics
- Dynamics
- Fluid Mechanics
- Mechanics of Materials
- Thermodynamics
- Electrical Theory
- Engineering Economics
- Computer Sciences

The eleven-week course meets from 5:30 pm to 7:30 pm in four convenient locations: North Attleboro and Waltham, Tuesday evenings beginning August 7th; Boston and Worcester, Wednesday evenings beginning August 8th.

Class size is limited, so don't delay. To register, or for more information, call (617) 237-1829 or (617) 329-8000.

Listings

Student activities, administrative offices, academic departments, and other groups -- both on and off the MIT campus -- can list meetings, activities, and other announcements in The Tech's "News" section. Send items of interest (typed and double spaced) via Institute mail to "News Notes, The Tech, PO Box 29, MIT Tech, Cambridge, MA 02139." Notes run on a space-available basis only; priority is given to official institute announcements and MIT student activities. The Tech reserves the right to edit all listings, and makes no endorsement of groups or activities listed.

Saturday, August 3

Summerfest '84, an arts, crafts, and entertainment festival will be held at Brookline High School, 43 Crescent Street, Brookline. The gathering will feature a printed craft award art show, a pet show, a bazaar-like event, free-jumping, workshops and demonstrations, performances from mime to break-dancing, and club food stalls. Call 584-7570 for information about attending or participating.

Ongoing

The following exhibits are being held at the MIT Museum: A Bunch of Electricals: An MIT Electrical Engineering Retrospective, a celebration of the centenary of the Electrical Engineering Dept. Included are the Bush Differential Analyzer and the Edison Dynamo given to the Institute by Thomas A. Edison in 1887. Math in 3D: Geometric Sculptures by Morton C. Bradley, Jr. 3D geometric sculptures based on mathematical formulae. Form and color relation give these works a unique visual appeal. Playing with Change, fifty color photographs by Clinton Andrews presenting a subjective view of the issues and technologies bringing change to northern areas of Pakistan and India. 26 Massachusetts Ave. Monday-Friday 9 am to 5 pm. Free.
