PUT US TO THE TEST

Put Fairchild Linear & Hybrid Division to the career test.

True Facts

A company should offer prospective employees a diversity of technologies (Fiber and COTEX, dual metal/metal liner CMOS, voltage regulators and advanced telecommunications) (il). A company should give employees a chance to grow. A company should encourage employees to do your best work. You would hate working in a place that has a mild climate and terrific recreational, cultural, and educational opportunities.

If your answers match ours, you should check with your Placement Center to find out when Fairchild Linear & Hybrid Division will be on campus. We'll be happy to go into more detail on how we pass your career test for technical challenge, career support and growth potential, salary and benefits, climate and lifestyle.

Fairchild Linear & Hybrid Division 313 Fairchild Drive Mountain View, California 94039

We'll be hosting a special technical presentation on Wednesday evening, October 10th. Refreshments will be served. Join us.

If you can't schedule an interview when we visit your campus, feel free to send your resume to the attention of the Employment Manager/College Relations at the address above.
