THE 1984 HONEYWELL FUTURIST AWARDS COMPETITION

TRAVEL AGENDA: Your mission, should you decide to accept, is to imagine yourself 25 years into the future. You'll be asked to write three essays of up to 500 words each. The three essays are to be written about significant developments in any one of the following subject areas:

1) Electronic Communications
2) Energy
3) Aerospace
4) Marine Systems
5) Biomedical Technology
6) Computers

In a third essay, you are to write about the societal impact of the changes you've predicted. Your entries will be judged according to creativity (30%), feasibility (30%), clarity of expression (30%) and legibility (10%).

PASSENGER QUALIFICATIONS:
Any person enrolled as a regular full-time student at an accredited U.S. college or university may enter, with the exception of full-time faculty members, previous winners and Honeywell employees.
