**Kiri Can**

Kiri Te Kanawa in recital at Symphony Hall, Sunday, October 7.

All in all, the recital was a success, characterized by Kiri Te Kanawa’s sweet, lyric voice and her ability to handle the most demanding repertoire with ease. Her rendition of Schubert’s "Countess Aria" was particularly moving, as was her interpretation of Schumann’s "Dichterliebe," with its haunting melodies and expressive text setting. The audience was captivated by her emotive performance, which highlighted the expressive power of her voice.

**Boston Symphony Orchestra starts new season**

The Boston Symphony Orchestra opened their season Wednesday night at 8:00 in Symphony Hall. Their performance was notable for the virtuosity and precision of the orchestra, as well as the engaging presence of the soloists. The audience was treated to a variety of musical masterpieces, ranging from Beethoven’s “Fifth Symphony” to Ravel’s “Daphnis et Chloé.” The performance was met with a standing ovation, a testament to the orchestra’s excellence.

**THE 1984 HONEYWELL FUTURIST AWARDS COMPETITION**

**TRAVEL AGENDA:** Your assignment is to prepare a report on consumer trends for two specific years, 1984 and 2009, and to predict consumer behavior for the year 2019.

**FANTASY IS THE FUEL OF THE FUTURE.**

**THE 1984 HONEYWELL FUTURIST AWARDS COMPETITION**

Beyond scientific speculation and extrapolation, perhaps the richest inspiration for imagining the future comes from exploring our daydreams and realizing that today’s fantasy may become tomorrow’s reality. If you have imagined what our world will be like in 25 years, now is your chance to release those thoughts—tempered with your knowledge of technology—by entering the 1984 Honeywell Futurist Awards Competition. If your ideas are among the most imaginative and feasible, you will be awarded $2,000, a trip to a Futurist awards banquet, and a Honeywell internship. Read the accompanying travel plans to find out how to enter. And fuel up for a trip to the year 2099.

Together, we can find the answers.
