Dear Editor,

I am writing to express my concern about the recent increase in the number of accidents on campus.

As a concerned student, I have been monitoring the situation closely and have noticed a concerning trend. The number of accidents has been on the rise, with several incidents occurring in the past week alone.

I believe that more needs to be done to ensure the safety of all students. This includes improving the lighting in the areas where the accidents have been occurring, as well as increasing the presence of campus security officers in those areas.

I urge the administration to take this matter seriously and to implement immediate changes to prevent future accidents. Thank you for your attention to this important issue.

Sincerely,
[Your Name]
