**THE IDEAL PROBLEM SOLVER**

A Guide for Improving Thinking, Learning, and Creativity

This highly readable book is two cognitive psychologists' unique, methodical approach for resolving problems. The authors suggest new strategies for improving memory, for overcoming blocks to creativity, and for communicating more effectively with a wide range of people. Liberally sprinkled with everyday examples, brain-teasing drawings, and amusing anecdotes, *The Ideal Problem Solver* is the dual source for the myriad problems that confront and confound us daily.

Available at bookstores. To order from the publisher, send check or money order (please include $1.50 for shipping and handling) to W.H. Freeman and Company, 415 Indiana Ave. W., Cambridge, MA 02139, or call 253-2903 or 225-6369.
