To design and develop today's most technologically advanced defense products, General Dynamics requires the talents of highly motivated Engineering and Scientific graduates. This year, nearly half of our 150 technical hires will be in Electrical/ Electronic Engineering or Computer Science — goal-oriented, high-performance students who will graduate in the top half of their classes.

If you're one of these top performers, we'd like to meet with you at our informal technical presentation.

DATE: October 31
TIME: 5 p.m.
PLACE: See your Placement Office

Our representatives will be on hand to talk about our full spectrum of technological opportunities, show you films of our product lines and answer all your questions. Don't treat for less than the true potential of the art in your career. See your Placement Office for more details about General Dynamics technical presentation.

CAMPUS INTERVIEW DATE: November 1
