Football drops third straight

By Martin Dickson

TUCSON and a host of injury
combined to overmatch anoth-
er Western Arizona defense of-
fort, as the football club dropped a
24-12 decision at Bentley Col-
lege Saturday. The loss was
Engineers' third in as many games.

MIT defensive back Shane Ar-
old '98 set the defensive tone
early with the first of his two in-
terceptions. His effort gave the
Engineers the ball on the Falcon
44-yard line, and MIT scored
a 22-yard spurt by quarterback
Dave Brecker '88 and running back
John Copponi could not quite
reach an Eric Purvis pass, and in
the mud, his kick fell short.

The score remained 14-6 until
3:55 in the fourth quarter when
Broecker's pass on his own 4b,
removed from the game. Gaspar-
in's pass on his own 4b, he
moved the Engineers back to the
18 for the fourth down.

Peter Gasparini '88 was called
in to attempt the field goal, but
his kick fell short.

The defense kept Bentley cor-
pleted the 32-mile course.

The men's varsity heavyweight
crew finished 5th in a regatta at Dartmouth College
last Saturday.
