Where candidates stand on issues

(Continued from page 4)

to revise over the next few years, the winner of today's election could shape the pattern of Supreme Court decisions for the rest of the century.

Mondale, on the other hand, has been more active in the political process, supporting a constitutional amendment to ban most abortions. He also opposes federal funding for abortions.

Reagan favors a constitutional amendment to ban most abortions. He also opposes federal funding for abortions.

Reagan is willing to spend billions of dollars on the so-called "Star Wars" defense plan. He has recently reassessed his agenda for the next four years, promising to focus on issues such as tax relief and social services.

Reagan has been involved in several high-profile court cases, including the Burger v. Pennsylvania case, which dealt with the constitutional validity of state laws.

Mondale supports the right to privacy and has been a strong advocate for civil liberties. He has actively opposed federal legislation that he认为 would infringe on the rights of individuals.

Reagan is a firm believer in the free market and has been a vocal opponent of government intervention in the economy. He has also been critical of the National Labor Relations Board and has called for its abolition.

Mondale, on the other hand, has been a strong supporter of workers' rights and has actively opposed the reformation of the NLRB.

Reagan's approach to foreign policy has been characterized by his insistence on U.S. superiority and his willingness to use military force to achieve his goals.

Mondale, on the other hand, has been more pragmatic and has been willing to negotiate with other countries. He has also been a strong supporter of détente and has worked to improve relations with the USSR.

Reagan is a strong supporter of the death penalty and has been critical of efforts to abolish it.

Mondale, on the other hand, has been a vocal opponent of capital punishment and has supported efforts to reduce the number of executions.
