A few "quit tips"

Hide all ashtrays, matches, etc.

Lay in a supply of sugarless gum, carrot sticks, etc.

Drink lots of liquids, but pass up coffee & alcohol.

Tell everyone you're quitting for the day.

When the urge to smoke hits, take a deep breath, hold it for 10 seconds, & release it slowly.

Exercise to relieve the tension.

Try the "buddy system," and ask a friend to quit too.

NANTUCKET SOUND

A speaker system which stands over 4' high and weighs almost 300 lbs a pair?

Snell Acoustics, Inc.

The big Snells have the ability simply to vanish, becoming an open window to the music. I can't think of any other speaker that does as many things with so little effort and call it a "type A". I found it difficult to believe I was listening to a loudspeaker. As I looked east, the sound was one of the best I have ever heard in a home.
