Don’t see a four-star film in a no-star theater

For those of you who have spent years at the movies, your sense of arena- sphere may not be an overwhelming one when you decide to see a film. Hollywood made them into what is now a 50-seat, sound-equipped movie-theater with all the state-of-the-art technology and the surrounding experience. The biggest of the domed cinemas is the Brattle theater, but that doesn’t mean good, diverse films are not to be found. Many independent theaters throw movies that aren’t made for adults or children... (more)
