The National Research Council plans to award approximately 35 Postdoctoral Fellowships for Minorities in a program designed to provide opportunities for continued education and experience in research for American Indians and Alaskan Natives, Black Americans, Mexican Americans/Chicanos, and Puerto Ricans. Awards will be made in the behavioral and social sciences, humanities, engineering, mathematics, physical sciences, and biological sciences, and for interdisciplinary programs comprised of two or more eligible disciplines. Deadline for submission is January 16, 1985. All inquiries concerning application materials and program administration should be addressed to the Fellowship Officer, National Research Council, 210 Constitution Avenue, Washington, D.C. 20418.
