(Continued from page 10.)

1:58.93. John Headansky ’85 tucked in at 1:58.76 to take third. Holtermann did not have too much trouble walking the 1000-meter event, either. He was 3.2 seconds better than his closest competitor. The winning time was 1:52.0. On the other hand, Eugene Yang ’88 had a closer call with his win in the 3000-meter race. He clocked in at 8:52.0, edging out his closest competitor by 0.1 seconds. Bill Bruno ’85 came in fourth with a time of 8:54.28.

Miff was one-for-one for the day on the relays. The Engineers won the 3000-meter hurdles. Hills and Williams came in second and third, respectively. They came back strong in the 3200-meter relay, outsprinting Miff and Williams, in the end. The Engineers posted a time of 8:57.13, only 0.31 seconds behind the Jumbos.

The Engineers travel to Maine Saturday to face Bowdoin College and attempt to keep their conference streak to 24.

The invitation just said black tie. Thanks to your friends, you also wore a jacket and pants.

When none other than the Dean invites you to a black tie reception, what do you do? Start borrowing: a jacket here (68 regular), a pair of pants there, and before you know it, you’re looking pretty sharp.

And when your formal party is over, there’s another one you should arrange. Making sure that each contributor to your wardrobe gets what he deserves in the form of a Lowenbrau.

After all, isn’t any friend worth a summer’s worth of beer?
