We’ll pay you to get into shape this summer.

If you have at least two years of college left, you can spend six weeks at our Army ROTC Basic Camp this summer and earn approximately $600. And if you qualify, you can enter the ROTC 2-Year Program that fall and receive up to $1,000 a year. But the big payoff happens on graduation day. That’s when you receive an officer’s commission. So get your body in shape (not to mention your bank account). Enroll in Army ROTC. For more information, contact your Professor of Military Science. Armv ROTC, BE ALL YOU CAN BE.

For more information call Sergeant Andy Blanchard 253-6471.

MIT gave you the opportunity to learn. SSD gives you the opportunity to contribute.

Small System Design designs and develops high performance processor engines for graphics, communications, and control applications. Being small, we offer a combination of challenge, involvement, and responsibility you’re not likely to find anywhere else. If you have an entrepreneurial bent and want to make quick in the industry let’s talk. Our representatives will be on campus Tuesday, November 27 and Thursday, February 28, 1985. Make an appointment with the Office of Career Services (Room 12-110, 253-4733). If that’s inconvenient, drop off your resume or send it to us at the address below:
