Nobody Beats Our Value To New York.

$19

We've just lowered our fares to New York nearly 50%. To just $19, coach, Friday to Sunday, Monday to Thursday it's only $25. That's the best travel value going, peak or off-peak. And when you bring the kids along, you'll save even more—children under 12 go for half price.

But money is just part of the reason for taking Amtrak. You see, the train actually makes travel a pleasant experience. Our spacious, reclining seats are like no others. And where else can you find aisles wide enough for a leisurely stroll?

Not to mention our Amcafe, where you can get a sandwich, snack or beverage, whenever you like.

Oh, there's one more thing. On Amtrak, you can go from downtown Boston or the Route 128 Station to midtown Manhattan, Newark, or suburban Amtrak stations. So the next time you're headed to the Big Apple, call your travel agent or call Amtrak at 1-800-USA-RAIL. And ask about a fare and a travel experience that can't be beat.

Lockheed SR-71 Blackbird.
The world's fastest, highest flying airplane. The plane created by Lockheed's famed Skunk Works team. A team of engineers and scientists that repeatedly meet technical challenge with unique ideas and creative solutions.

We're working on many different high technology programs that will take us well into the 21st century. These programs will challenge your knowledge and define your imagination. A representative from Lockheed-California Company will be on campus March 6, 7 and 8, to discuss how you can turn those four years of tough engineering courses into a lifetime of challenge and achievement.
