Candidates discuss issues of importance
(Continued from page 1) miller with the institute, through my athletic and leadership positions, and I have personal contacts in all living groups,” God continued.

Robert E. MacKean ’85, third presidential candidate in the senior class, explained that he has commented on “most issues facing student government” through experience as editor-in-chief of The Tech. He continued, saying “I may not have directly participated [in student government], but that doesn’t mean I necessarily know less than my opponents on the issues.”

Noelle M. Merritt ’85, remaining candidate for the president’s position, was not present at the forum. Other class of ’85 candidates speaking were Albert T. Wang and Stephanie L. Schindler, secretary candidates, and treasurer seekers David M. Libby and Adrian C. Wang.

The only color change in the candidates was for class of ’88 treasurer. Greg Anderson is mounting a write-in attempt to fill the treasurer’s spot, which is currently open.

The student government election will take place Wednesday, March 13, from 8:30 am to 6:00 pm. The polling places will be Kendall Auditorium, the Great Hall at east campus, Lobby 10, and Robert C. Brown Hall, all on Beacon Street in Boston.

ON THE FRONT LINE...

Dr. Everett Anderson
Professor of Anatomy
Harvard Medical School

A March of Dimes research grantee, Dr. Anderson studies the very beginnings of life before birth so many things can go wrong. His work reflects the deep concern of the March of Dimes in its fight against birth defects. This kind of basic research is a top priority, and points the way to the day when good health at birth will be the right of every child.
