**Opinion**

Often it makes sense to ease off and take a back down

The right to free speech, as guaranteed by our truly magnificently Constitution, is perhaps the thing that makes this country a beacon in the world. Yet we can't go to "Walk to Walk," a student fighting a ba.

Students in a picket pool from the of the Light Building answer if they want to do. It doesn't matter. Yet this is the use of the pool in a perfectly constitutional way.

Everything that can be said about pornography has, again and again

(Continued from page 4)

To the Editor:

The "Pledge of Resistance" offers a noble purpose, but all of you get it thinking makes it so. The only agreement I am syn.

IT is a statement of that corruption, I'm in.

The dissemination of information to the Tech.

Movie should not be censored for offending
