a unique opportunity for
Civil Engineers

For you and the world itself. As a Peace Corps volunteer, you can put your degree to work at a challenging, demanding and unique opportunity. You'll be meeting new people, learning a new language, experiencing a new culture and gaining a whole new outlook. While you're building your future, you'll help people in developing countries plan, design, and construct roads, buildings, sanitation systems, dams, bridges, canals or other structures which are critical for meeting their economic needs.

* This spring break, if you and your friends are thinking about heading to the slopes, the beach or just home for a visit, Greyhound can take you there. For only $99 or less, round trip, just show us your college student I.D. card when you purchase your Greyhound ticket. Your ticket will then be good for travel for 15 days from the date of purchase.
