Debate team is revived

(Continued from page 1)

Arding tournaments provides valuable experience and more national ranking points, which are based on the total number of rounds won during a term, Mavis explained.

The MIT team is funded by the Undergraduate Association’s Finance Board and by grants from MIT’s Department of Humanities, Mavis said.

Mavis characterized the team’s members as generally more involved in social sciences and politics than many MIT students. He added that their wide range of prospective majors is representative of the student body.

Some doors are meant to be open...

Project HOPE is opening doors to children the world over. Since 1960 HOPE has sent teams of physicians, dentists, nurses and other health personnel to shores with developing nations to meet their medical needs and knowledge.
