Sports Update

Women swimmers compete in NCAA Division III finals

Lori Peterson '86 finished 6th in the 3-meter diving competition and 11th in the 1-meter competition at the National Collegiate Athletic Association Division III Women's Swimming Championships held at Emory University in Atlanta, GA, last weekend. Peterson's performances earned her all-American honors for the third straight year.

Linda Sprys '88 finished 10th in both the 200-yard butterfly and the 400-yard individual medley. For her performance in the two events, Sprys was also named all-American.

Sprys also competed in the 200-yard individual medley, where she placed 17th, and in the 100-yard butterfly, where she placed 26th.

Rebecca Perry '86 was the third MIT swimmer to compete at the championships. The team co-captain finished 13th in the 200-yard butterfly.

Baseball first team to visit CalTech

The baseball team will travel westward this weekend to the Golden State, where the Engineers will play seven games against six California teams.

Saturday the Engineers from the East will challenge the Engineers from the West, as MIT visits CalTech. This will be only the third time the two schools have met in any athletic competition, and will be the first time that an MIT athletic team has visited CalTech in California.

The game will also mark the first time the two schools have met on a baseball diamond.

Last November, the men's baseball team defeated CalTech in a tournament held at Washington University in St. Louis, MO. The CalTech Water polo team defeated MIT, 15-9, in September, 1981, in a tournament held at Washington and Lee University in Lexington, VA.

Skiing, squash, bball name MVP's

Four winter sports teams have announced their most valuable players for the 1984-85 season. Scott McFarland of East Quogue, NY, was named the skiing team's MVP. Joining McFarland in the MVP ranks are squash player Dave Douglas '85 of Jamesville, WI; men's basketball player Randy Nelson '86 of Buffalo, NY; and women's basketball player Grace Saccardo '86 of Wrentham, MA.

Ellen L. Spero

Take me out to the ball game. . . . The MIT baseball team started practice for the upcoming spring '85 season. They begin their season March 23 against CalTech in Pasadena. The home team will have a strong advantage.
