Harvard this summer.

Harvard Summer School, the nation's oldest summer sessions, offers open enrollment in nearly 250 day and evening courses and pre-professional programs in more than 40 liberal arts fields. The diverse curricula includes courses appropriate for fulfilling undergraduate and graduate college degree requirements, as well as programs designed for career and professional development. The international student body has access to the University's outstanding libraries, museums, athletic facilities, and cultural activities, with the additional benefits of Cambridge and nearby Boston. Housing is available in Harvard's historic residences. Offerings include intensive foreign language courses, pre-medical, pre-law, business and computer science courses, and graduate level courses in education and management. We feature a college-level program for secondary school juniors and seniors, a health professions program, a Ukrainian institute, the Dance Center, plus programs in drama, writing, and English as a Second Language.
