Chapter seeks housing

(Continued from page 1)

A group must have 35 members and campus IFC approval to achieve "probatonary chapter status" in EDF, Kharbanda said. After a successful probationary period, the national fraternity updates the group as a charted member, he continued.

"I believe we should have a recommendation from the Expansion Committee by the end of this term or early next term," Kharbanda said. "After that, we'll be voted on at the IFC general meeting. The next IFC meeting is next term."

"Now we are waiting for the IFC," Kharbanda said, "which is waiting for the Expansion Committee, which is considering the pros and cons.

Kharbanda said, "The IFC is where we're stuck. It doesn't seem to be going very well."
