POST-GRADUATION
ACTIVITIES

The class council will be organizing postgraduation activities with the help of regional coordinators. If you know where you'll be and would like to participate in the planning, leave a note in the class of '85 mailbox in the UA office (W20-401) or stop by a weekly meeting, every Thursday at 5PM. Possible activities include happy hours, luncheons, picnics and more. Please contribute your ideas!

If you have an undergraduate student body at MIT, you are a member of the UA. The Undergraduate Association is student government at MIT. Put simply, the purpose of the UA is to represent the student body.

As we have been meeting other students, this question is most often asked: WHAT DOES THE UA DO? Well, starting next term, the UA News will appear weekly in The Tech. This supplement is one way we intend on answering this question. The UA NEWS will advertise the upcoming events of the class governments, UA general committees, as well as recognized groups of the ASA (Association of Student Activities). All of the recognized groups will be able to use this page to keep the student body informed: Advertisement for the people, for the people. Please make suggestions to keep this page informative and interesting.

CLASS OF '87

Our newly chosen officers for the next term are:

Social Chairperson:
Ga Kyung Chung, Jeff Kung, Eugenie Uhlan

Newsletter/Publicity Manager: Edward Schmeltz
Executive Secretary: Sherry Lee

Corresponding Secretary: Eriko Eda

The continuing officers are: Grace Ueng (Pres.), Tim Jones (VP) and Don Bordolo (Treasurer)

There are positions on the class council currently vacant. In particular, members are needed for the social committee and the Newsletter/ Publicity Committee. So watch the Lobby 7, class of '87 board for the announcement of our first meeting next term. Come and join us and get involved with your class activities.

CLASS RINGS:
The class rings are here. They are being distributed in Lobby 10. New orders are also being accepted at this time.

CLASS SHIRTS:
The good news is that the outstanding class T-shirts are a big success! The bad news is they are sold out. BUT, a second order has been placed! The bad news is that due to ordering problems they won't be here till next term. It looks like this summer our class will be stuck with ring around no collar. Sorry.

A COOL ORGY AND CARNIVAL DELIGHTS:
Everyone agrees the ice cream orgy came off extremely well, as well as the class of '87 booth at the Spring Weekend Carnival. Thanks to everybody that lent a hand.

CLASS OF '88

We are pleased to announce our class officers:

Michael Franklin, President
Andrea Wong, Vice President
Greg Anderson, Treasurer
Grace Ma, Secretary
Brenda Chin & Joseph Woo, Social Chairs

There are many new projects that we are starting to work on now. This summer we plan to work on SCSEP (Student Committee on Educational Policy), Social Council, and long term plans for student government and student activities. Stop by and see us in room 401 on the fourth floor of the student center. We are here to work for student issues - we want as much student input as we can get.

Have a good summer. We will be here all summer, working to improve the UA. If you are here, visit us.

Thanks,
Bryan Moser
UA President

Mary Tai
