scheme, which would be a permanent law, the federal government would compel every young-man and woman (no exceptions or deferrals) to labor at either military or asocial federal projects during one year (or two—details differ among the NYS's advocates) of his or her life sometime between the ages of 19 and 24 (again, details differ).

Sir, or madam, it is your duty to serve society! You are obligated to the State which does so much for you. You should feel grateful because social-spirited people will not leave you to your own business. If you disagree, we'll just have to throw you in jail for welching on your debt to society.

Needless to say, I was taken over by a spook in that last paragraph.

Why self-interest (and capitalism) instead of altruism (and statism)? Ayn Rand argues that self-interest follows from reason—see her work. For now, note that Mark Kantrowitz, in arguing for altruism, is reduced to that signature of intellectual bankruptcy, "why not?"—like a peddler of little opium pills.

Because Success Is Your Way of Life

Earning your degree is an achievement. A commitment to meeting the challenges of a dynamic technological world. At Raychem, we share that commitment.

Raychem Corporation was founded in 1957, dedicated to pioneering commercial applications for radiation chemistry. Today, a Fortune 500 company and leader in materials technologies, Raychem develops, manufactures and markets a wide range of high-performance products to industries ranging from aerospace to automotive.

Our research and development efforts have led to innovations in heat-shrinkable plastics, conductive polymers, heat-stable metals, fiber optics, and adhesives. We are involved in the design, development and application of advanced electrical interconnection systems and components for use in electronics, telecommunication, power distribution and aerospace industries.

If you are interested in component or system design, computer-aided system modeling, electromagnetic interference analysis, design simulation, microelectronics or Computer Science, then we invite you to join us.

Our technical managers will be on campus at the time listed below. Contact Mike Ziebell, College Relations, Raychem Corporation, 300 Constitution Drive, Department NA-1685 Menlo Park, CA 94025.
